CHEMICALS TRADING LLC

Our company is committed to providing high-quality, innovative products and services to our clients. We are confident that our expertise and commitment to quality will make us a leading Trader in the sector, and we look forward to working with you to meet your chemical and adhesive needs

OUR MISSION

Our mission is to provide our customers with the highest quality chemicals and adhesives that are not only innovative but also cost-effective. We aim to be a leading traders in the sector by continuously developing new products and services that meet our client's needs.

SUSTAINABILITY

We are committed to sustainability and are constantly looking for ways to reduce our environmental impact. We use eco-friendly materials and practices whenever possible and are committed to reducing waste and emissions in our manufacturing processes.

QUALITY CONTROL

Our final products are closely monitored to ensure that our products meet the highest standards of quality and safety.

OUR MARKETS

We possess expertise in various markets, including Saudi Arabia, UAE, East and West Africa, as well as Middle Eastern countries. Moreover, we are proud to have cultivated a strong and loyal customer base within these regions.

JONFIX

CONTACT ADHESIVES

Multipurpose one component contact adhesives which forms an instant bond on contact and has a fast-drying feature.

Typical Uses:

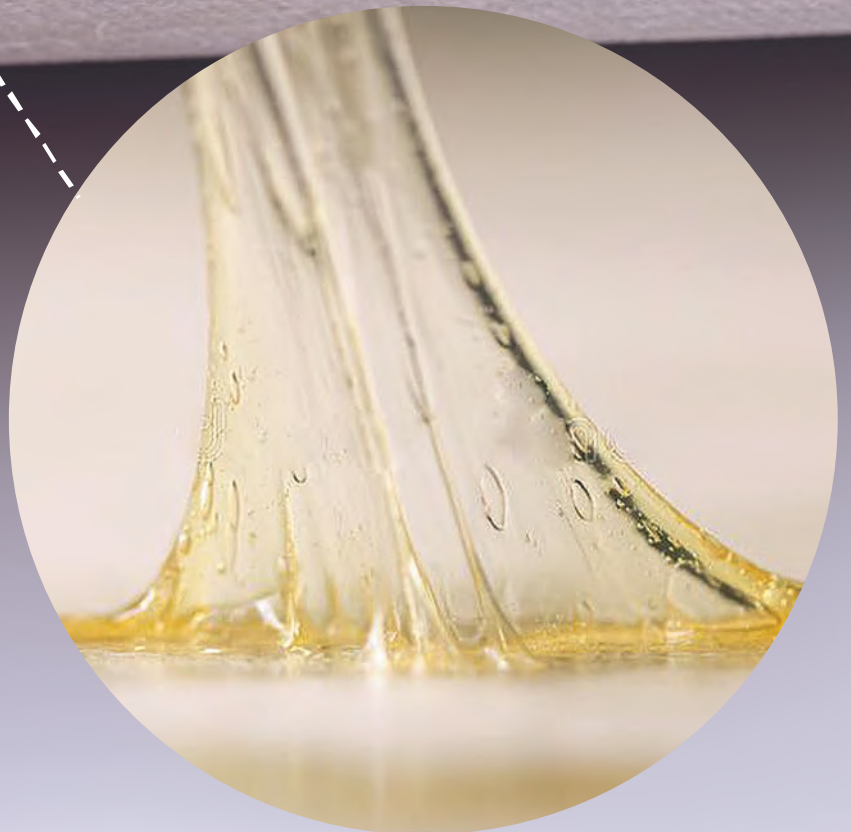

- ✓ Bond most types of materials, and will even fix non-porous surfaces together e.g. wide range of DIY tasks and household repairs.
- ✓ Ideal for bonding: carpet, wood, MDF, laminate, PVC, leather, rubber, stone, and ceramics.

Packaging: 220 g 650 ML 1 L 4 L 20 L 200 L

JONFIX

CONTACT ADHESIVES

JONROOF

WATERPROOFING COATING

A special synthetic resin-based waterproof coating system. It has excellent flexibility and thixotropic nature. Hence, it makes JonRoof N 1000 ideal to use on vertical as well as horizontal surfaces.

- Typical Uses:**
- ✓ Waterproofing for Asbestos cement, Concrete and Terrazzo Tiles.
 - ✓ Recommended for both horizontal and vertical applications.
 - ✓ Can be applied on wood and metal surface.

Packaging: 20 KG

JONROOF

WATERPROOFING COATING

JONYL FLOORING

VINYL FLOORING ADHESIVES

is based on premium quality synthetic resin, additives, tackifier, and fine grade mineral fillers. It is acrylic water-based adhesive and compatible with most of the substrates.

- Typical Uses:**
- ✓ Multi-Purpose Floor & PVC Vinyl Adhesion.
 - ✓ Bonding of PVC sheet, Vinyl coverings and tiles, EPDM sheet, Polystyrene board, PU foam and similar material with concrete, metals and wooden substrates.
 - ✓ Bonding substrate with porous and non-porous surfaces.
 - ✓ Floor heating installations. However, the heating should be switched off at least 48 hours before and after the installation of floor coverings.

Packaging: 20 KG
